**PROJECT RUNWAY'S ALL-STAR WINNER**

**D**ANIEL YOSOVIC WAS not surprised he won Lifetime's *Project Runway: All-Star Challenge*. "My stuff looked great," the Michigan native, 28, tells *Us*. "I've grown as a designer." Indeed, since placing second in season two, Vosovic, who dates actor Kieran Mulcare, has written a book and dressed *Anna Hathaway*. Now, as part of his reward, his winning black-and-white dress will be worn at this fall's *Nine* premiere. "I only know it will be on the red carpet," he says. "I'm hoping *Nicole Kidman* [who appeared on the special] loved it and will wear it." And come February, he'll unveil his line at NYC's Fashion Week. "I'd describe it as edgy, urban and sexy," he proclaims. **MARA RENNSTEIN**

Kelly's "Bump N' Grind." **MONIQUE MENDES**
